Deadline:

Monday February 8th

From the oven to your customers-fresh baked and no preservatives.

Simple, classic, and always a great choice.

Choose from one of our four tantalizing varieties:

The Original robins cookie (for nut lovers):

Real semi-sweet chocolate chips sit amidst just the right mix of toasty walnuts and whole oats. So rich and crunchy, you can almost hear how good they taste.

The Classic robins cookie (for purists):

The Cranberry Cinnamon Oatmeal Divine:

The oatmeal cookie grows up: plump cranberries and whole oats with just the right twist of cinnamon goes well with milk or champagne.

A Bag of Happiness

What brings happiness in life?

The Chinese believe that happiness is five-fold: wealth, luck, prosperity, double happiness, and longevity. The coin symbolizes wealth, the gourd is luck, and the monkey represents prosperity. A pair of Mandarin ducks symbolize double happiness, or a harmonious love relationship. And the pine bough represents a long life.

Put it all together in a red bag (a lucky color in China) and you're sure to increase your happiness.

Cast in pewter. Gift as shown. **\$14.95**
